

Product Name: **Acry-Seal**
Reviewed Date: **January 2010**

Health & Safety Data Sheet Reference: **FT102**

1- IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND COMPANY

Product name: **ACRY-SEAL**

Supplier: Floortech Products
Goods Yard
Derby Road
Belper
Derbyshire
DE56 1UX

Phone: 01773 828111 Fax: 01773 828333

Product Description: An aqueous blend containing acrylic polymer emulsion, plasticisers, coalescing agents, levelling aids and preservative.

2- COMPOSITION/INFORMATION AND INGREDIENTS

Hazardous Ingredients: none

3- HAZARD IDENTIFICATION

Product is not classified as hazardous under Chemicals (Hazard Information and Packaging) Regulations 1993, however, commonsense precautions must be observed.

4- FIRST AID MEASURES

Eye Splashes: Flush the affected eye with clean running water for at least 10 minutes and seek medical advice.

Skin Exposure: If soreness or irritation occurs as a result of skin exposure remove contaminated clothing and wash skin thoroughly with soap and water. Wash clothing before use. If symptoms persist seek medical advice.

Ingestion (Swallowing): If material is accidentally swallowed do not induce vomiting. Give small sips of milk or water to drink. If patient vomits, turn into recovery position and seek medical attention.

Inhalation: Move the patient to fresh air and keep patient warm and at rest. If the patient is unconscious, place in the recovery position and seek medical attention immediately.

This information should be taken with the patient when seeking medical advice
Do not give victim anything to drink if he is unconscious

5- FIRE FIGHTING MEASURES

Product is not flammable, however, irritating fumes may be given off in the event of a fire. Treat fires with either dry chemical foam or water spray/mist. Do not use water jet.

6- ACCIDENTAL RELEASE MEASURES

Spillages need to be contained to prevent entering the watercourse.
Absorb spillage in inert material e.g. sand/earth and transfer into any secure container for disposal.

Product Name: **Acry-Seal**
Reviewed Date: **January 2010**

Health & Safety Data Sheet Reference: **FT102**

7- HANDLING AND STORAGE

Store away from children.
Use only according to directions.
Do not mix with other chemicals.
Always ensure cap is replaced securely after use.
